*E F#m F#m7+ F#m B7 A E/G# F#m E*

*E F#m F#m7+ F#m B7 E B7*

I know that life wasn't always like this  
No matter how hard you insist  
*E F#m F#m7+ F#m B7 A E/G# F#m E*  
I want to see where you will get to  
If you don't care about me

I'm just begging for some hope or an and  
To everything that's out of place  
I gave you everything that exists

*E*

But his way we just can't stand

*( B7 E )*

***REFRAIN :*** No way, to find an exit for this  
No way, to see the light of a new day  
No way, hypocrites all over hiding the truth  
*A E D#m*  
No way, if it depends on you

***SOLO :*** *C#m7 G#m7 C#m7 G#m7 F#m B7*

*E F#m F#m7+ F#m B7 E B7*

I want to see if tomorrow will come  
If flowers will show on your path  
*E F#m F#m7+ F#m B7 A E/G# F#m E*  
I want to see if life can come to a start  
If the day'll turn out the bloom

Killing me slowly, I don't even know why  
If it's you who needs me in your life  
I want to see where you will get to

*E*

If it only depends on your truth
