

# **Moonlight** by Loran Regis

Tom : F

**F** **C9/E** **Dm7** **Bb9** **C7/9**

In the moonlight I can see your eyes  
Through the darkness of the shining night

**F** **C9/E** **Gm/D** **Bb9** **C7/6/9**

In our buried times, grey coloured skies  
Bringing desperate damage with you

**Bb** **F/A** **Gm7** **Dm/F** **Eb9/7+** **Bb/D** **Cm7** **Dm7** **Eb7+** **F** **Bb**

There are families lost in the absurd wrestling at home

## **BRIDGE :** ( **Bb** **C/E** **Bb/D** )

**F** **C9/E** **Dm7** **Bb9** **C7**

You show your dark side face for life  
But in clear light you have to hide

**F** **C9/E** **Gm/D** **Bb9** **C7/6**

All the coldness, 'n' all your cruelty  
The sickness of your brutality

**Bb** **F/A** **Gm7** **Dm/F** **Eb7+** **Bb/D** **Cm7** **Dm7** **Eb7+** **F**

Many families are lost while helplessly trying to be free

## **RIFF :** **Gm** **Bb6/F** } 4 X

**PASSAGE :** **Cm7** **Cm7/B** **Cm7/Bb** **Cm7/A** **Fm/Ab** **C4/G** **C7**

**F** **C9/E** **Dm7** **Bb9** **C7**

Darkness' taken over us, moonlight  
We'll never get to paradise

**F** **C9/E** **Gm/D** **Bb9** **C7/6**

In this shady day, in the light of night  
Our hopes are slowly passing by

**A7**

**Dm9**

Insane souls, lost bullets, you must know what I warn about

**A7** **Dm9** **Bb** **Ab°** **G7** **C**

In your office or at the corner, peace seems to be dying out

*Bb F/A Gm7 Dm/F Eb7+ Bb/D Cm7 Dm7 Eb7+ F*

There are families lost in the colorless rainbow of you

**BRIDGE :** *Bb C/E Bb/D*

*F C9/E Dm7 Bb9 C7*

Tiny hands are all slaying souls

Souls who fight for a better world

*F C9/E Gm/D Bb9 C7/6*

Bombs exploding, plagues and falling planes

Violence doesn't have an age

*Bb F/A Gm7 Dm/F Eb7+ Bb/D Cm7 Dm7 Eb7+ F*

There are families lost and their sense will no longer survive

But there are families lost in the hope for a better world

*Bb F/A Gm7 F/D F/A Eb7+ Bb/D Cm7 Dm7 Eb7+*

But one day the sun will rise and shine for all of us

*F G*

For all of us
