INTRO PIANO : 1^a Part : (Cm9 Cm9/Bb Ab7+ G4/7)

2^a Part : (Ab Bb)

3^a Part : (C9 F7+)

(C9 F9)

Once again, I'm here just for you
Once again time goes by and I feel blue
Running on, beyond the times to break through
Felling I lost my dreams and you

Dm9 F9 C9

You know, I have always been here

Gm7/D Bb C9 Dm9 C9 G4/7 G7

In your eyes, who's givin' up to live

(C9 F9)

Everything seems to be fine the way I see
But emptiness grows eternally
Everytime I feel the flames embracing me
I dream of us and see you fading away

Dm9 F9 C9

You know I've always felt this fear

Gm/D Bb C C#m7

Help me, cause I'm on my knees

G#m7 G#m7 Gm7 F#m7 B4/7

And today I feel so lonely without you... without you...

Oh how I cried, you cried too, I was misundestood

I walk alone, you carry one, and what to do

I just came to touch your lips

And never forget they once belonged to me

With all my heart, my final sigh

Save me now or wave the last goodbye
